

Meal & hull trucks: When coming from I-295, take exit 22 to go West on US 129 / E E Butler Pkwy. Take a right onto West Ridge Road and then a left into the Cargill site (across from the dirt lot for truck staging). Stop at the guard shack to check in.

Meal trucks: stay straight and then take a right right past the office and before the parking lot. Turn right again before the bins and follow the road into the loading bays. After loading, curve right and then take a left to exit the facility on the same road you entered on.

Hull trucks: Take a right before the office and into the loading bay. After loading, follow the bean truck line to exit (Follow the road right after loading, then take a left before the railroad tracks. Stay straight between the racks and the small bins on your left and then turn left in front of the large bean bins. Stay straight between the large bean bins and the office and then turn left after the office. Stay straight to exit the facility on the same road you entered on.).
