

Adding CargillAg.com to Your Mobile Device Home Screen

[Click here](#) for Apple/iPhone Devices

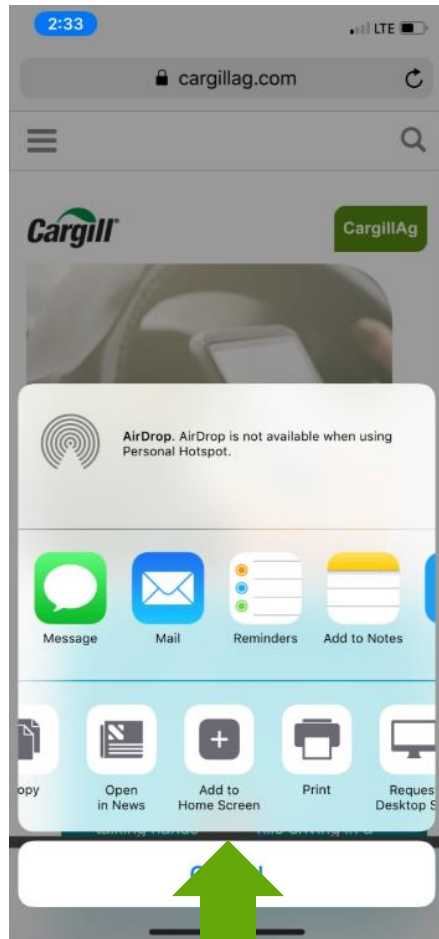

[Click here](#) for Android/Samsung Devices

iPhone and Apple Devices

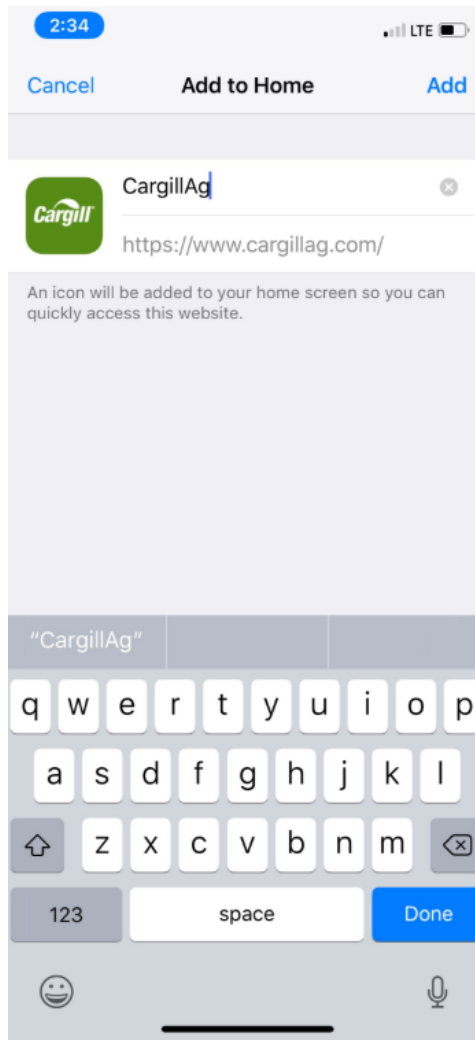

Toggle button

- 1. Enter www.cargillag.com into your internet browser.**
- 2. Once you pull up the website, use your toggle button at the bottom of the screen.**

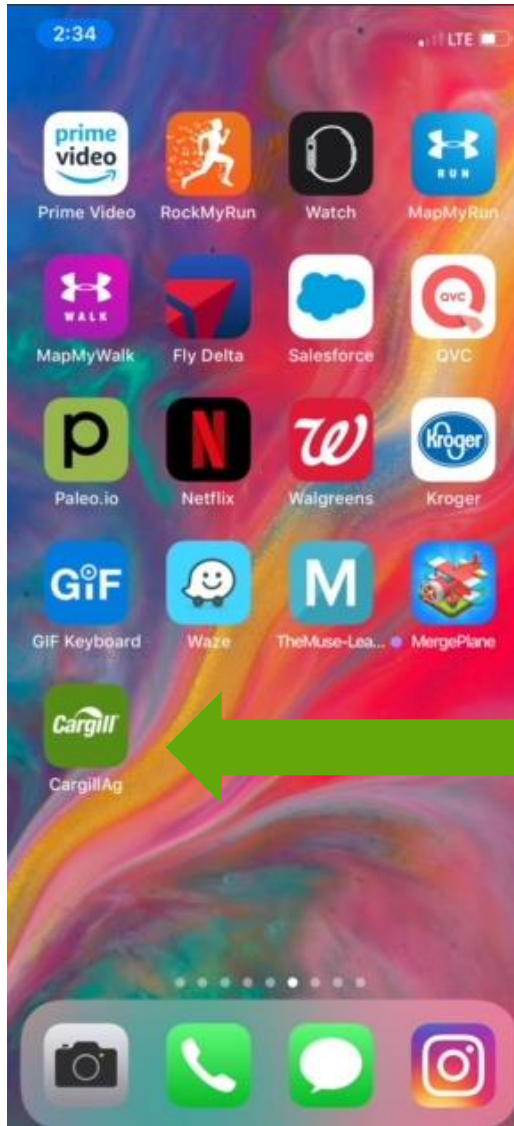

3. Select the button that says “+ Add to Home Screen.”

Add to home screen

4. You will have the option to name the button on your home screen. You can keep it as CargillAg, or change it to another name you recognize.

5. Once you have chosen your name for the button, hit add!

6. Look – now you have saved CargillAg.com to your home screen!

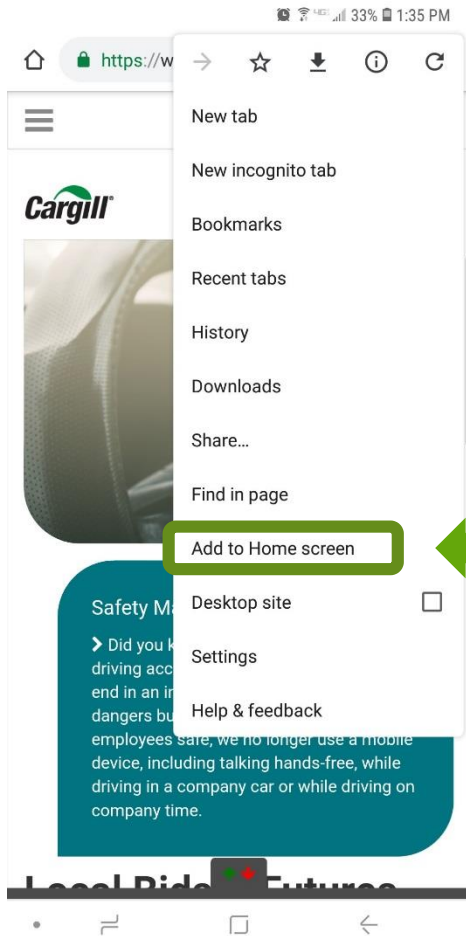

Note: your username and password will have to be entered each time. It will save for about 10 minutes and then time out.

Android and Samsung Devices

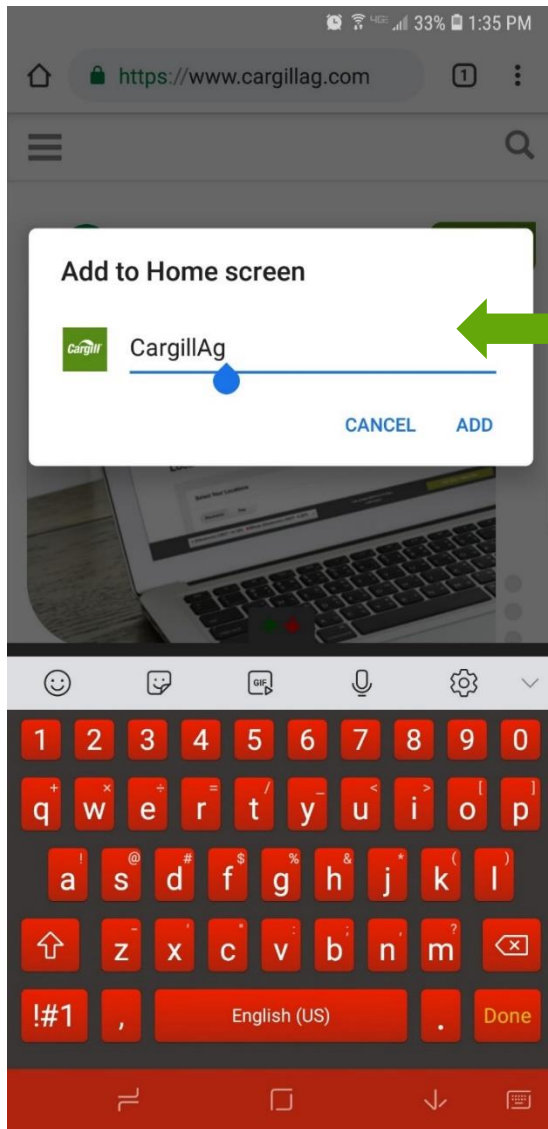

3 dots for settings

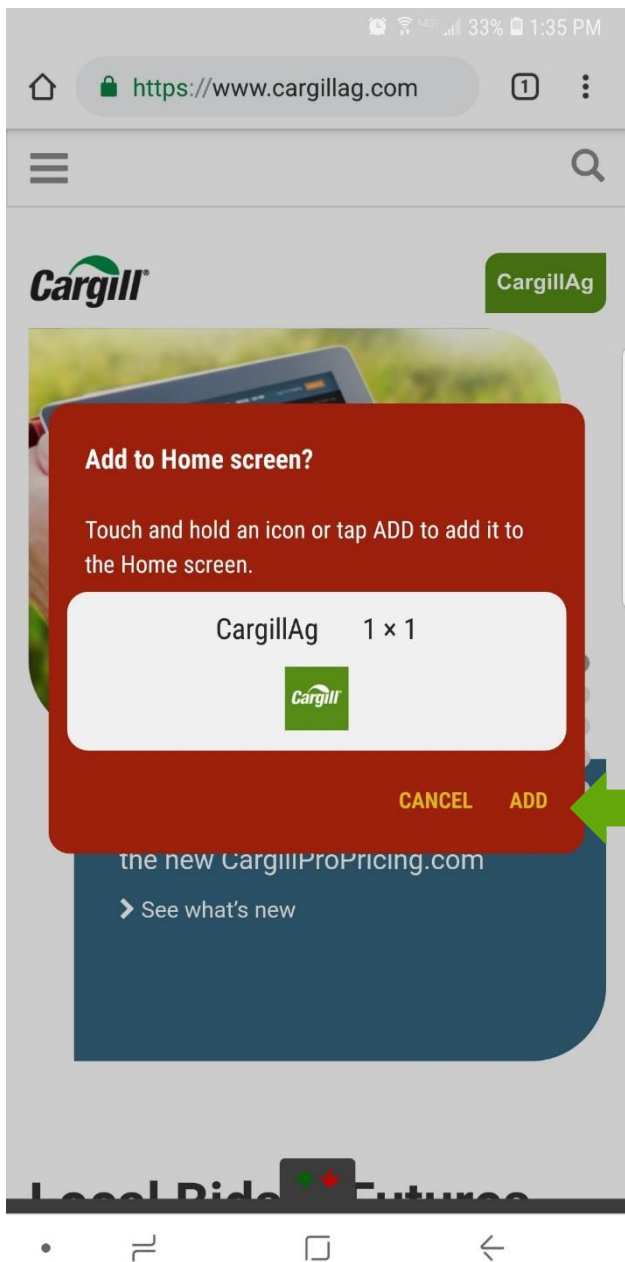

1. Enter www.cargillag.com into your internet browser on your phone.
2. Once you pull up the website, select the three dots in the top right corner to open up your settings.

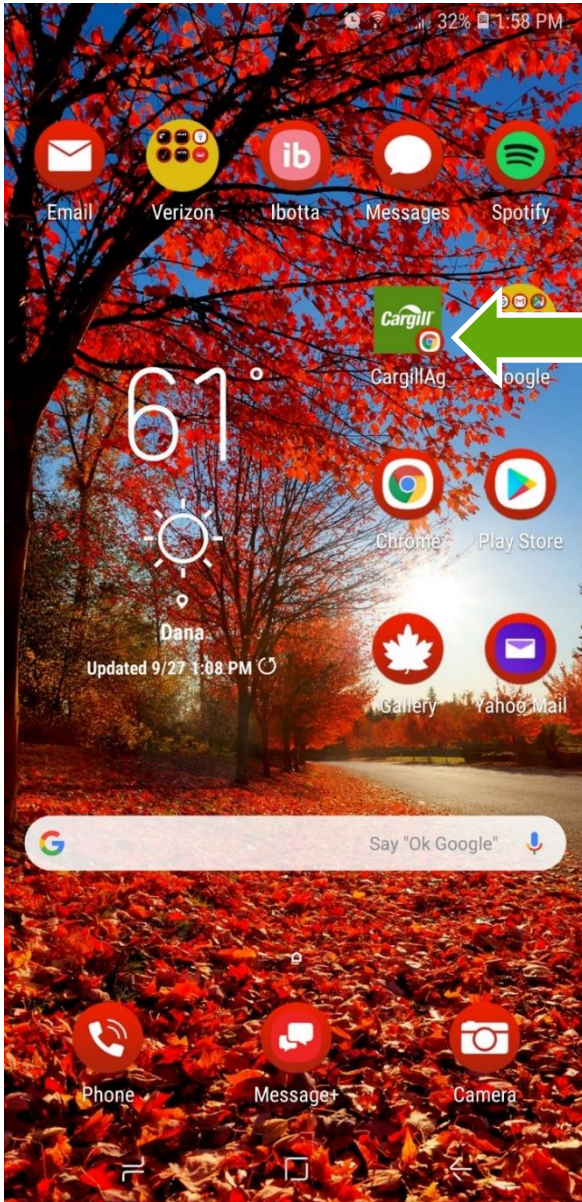

3. Select the option that says “Add to Home Screen.”

4. You will have the option to name the button on your home screen. You can keep it as CargillAg, or change it to another name you recognize.

5. Once you have selected what you want the name to be, hit add!

6. Look – now you have CargillAg.com saved to your home screen!

Note – your username and password will have to be entered each time. It will save for about 10 minutes and then time out.
